Make-Your-Own Puzzle

Make your own puzzle from your imagination using traditional thick black lines from comics. Make a few and follow the family challenges for some ways to engage.

Markers:

- Cardstock
- Pencil
- Eraser
- Scissors
- Markers
- Pencils Crayons

This activity is provided to you by:

Step 1:

Create your own puzzle piece design using a pencil. Outline the lines with a black marker afterwards

Step 2:

Sketch out your graphic design for your puzzle and outline it in black marker.

Step 3:

Colour in your design with markers and pencil crayons.

Step 4:

Cut out your puzzle pieces and store them in a ziploc bag!

Make it a Challenge!

Don't just stop there, here are some ways to have more fun with the puzzle you just made:

- Set a kitchen timer with 2 minutes and see if you can finish the puzzle in a short timeframe.
- Time yourself or your family doing the puzzles to see who can complete it the fastest.
- Write numbers on the back of all the pieces and hide them around the house. Make a series of clues to where they are hidden and challenge someone in your family to find them all to complete the puzzle.
